Woodland Heights Medical Center welcomes David Sees, M.D., to our community

Lufkin, TX (May 2, 2011) – Woodland Heights Medical Center is happy to welcome David Sess, M.D., to our community. An experienced cardiothoracic surgeon, Dr. Sees will be a true asset to Woodland Heights and the East Texas area.

“I am very excited to come to East Texas and make Lufkin my home,” said Sees. “As a cardiothoracic surgeon, I understand the complexities of the heart, lung and vascular system and I look forward to serving the people of East Texas.”

After a twenty-year medical career in the military, Sees has decided to join Woodland Heights in private practice. Dr. Sees received his Doctor of Medicine from Texas A&M University and completed his internship, residency and fellowship at Brooke Army Medical Center in Fort Sam Houston, TX. He is board-certified in cardiothoracic surgery.

“Dr. Sees brings a great deal of cardiothoracic experience to Lufkin,” states Casey Robertson, CEO of Woodland Heights. “We are fortunate he is choosing Lufkin as his home and he will be a welcome addition to the community.”

Dr. Sees will open Woodland Heights Cardiothoracic Associates located at 10 Medical Center Blvd., Ste. J in Lufkin – next to Woodland Heights Medical Center. For more information or to make an appointment, call 936-634-8854.
