Patient results may vary. Consult your physician about the benefits and risks of weight loss surgery.

If you are 100 pounds or more overweight, your health may be at risk. The Bariatric Center at Woodland Heights can help you find hope and discover a whole new – and healthier – you. Join Dr. Meyer and Dr. DeArmond for a FREE information seminar to learn about surgical weight loss procedures, including the LAP-BAND® and gastric sleeve. To make a reservation, call 936-634-0568.
