New Physician Joining East Texas Family Medical

LUFKIN, TEXAS (November 12, 2008)...Dr. James Rogers is joining Dr. Clifton Cathcart, DO and Mark Saldana, PA-C at East Texas Family Medical in Diboll. A native of Texas, Dr. Rogers is returning after practicing in Arkansas since 1996.

Dr. Rogers received his Doctor of Osteopathy degree from Texas College of Osteopathic Medicine in Fort Worth and completed his internship/residency at St. Elizabeth Medical Center in Ohio. He is Board Certified with the American Academy of Family Practitioners. Dr. Rogers comes to East Texas with his wife, Julie (Odom) Rogers (a Lufkin native) and son, Seth.

“We welcome Dr. Rogers to East Texas and are excited about the experience and expertise he brings our friends and neighbors,” states Lance Jones, CEO of Woodland Heights, who recruited Dr. Rogers to the area.

Dr. Rogers had particular criteria he was looking at as he made the decision of where to relocate. “I was looking specifically for a rural practice that had the mission of fulfilling the community needs and I found that with great enthusiasm with Dr. Cathcart and his staff,” states Dr. Rogers.

Dr. Rogers will be joining Dr. Cathcart at East Texas Family Medical in Diboll, which has been serving East Texans since 1978.

For more information or to make an appointment call 936-829-4749.

About Woodland Heights Medical Center

Established in 1918, Woodland Heights Medical Center was Lufkin's first hospital. Now, nine decades later, Woodland Heights is recognized throughout Deep East Texas as the leading provider of high quality, innovative health care services. Accommodating a wide range of clinical specialties, Woodland Heights has achieved excellence in key medical and surgical areas including cardiology, pulmonology, neurology, orthopedic surgery, physical medicine/rehabilitation, vascular surgery and obstetrics and gynecology. Woodland Heights also offers a full range of outpatient diagnostic services including advanced imaging, laboratory, outpatient surgery and emergency services. Through its Rehabilitation Center, Woodland Heights offers cardiac rehabilitation, stroke recovery and physical and occupational rehabilitation. Combining modern facilities, leading technology, an exceptional staff and a commitment to the communities it serves, Woodland Heights Medical Center remains at the forefront of quality health care in Deep East Texas.
