Old Town Spring —Part II

There will not be a Senior Circle or a Healthy Woman luncheon this month due to the Health Fair on July 29th

Let's travel to one of my favorite little spots, The Blue Moon Garden. This beautiful nursery is located 15 miles from Tyler and you will not want to leave!!! Come sit and listen to the wind chimes or buy beautiful plants and bring them home with you. Don't worry, we'll find room to get it home— we'll just rent a U-Haul— it won't be our first time!

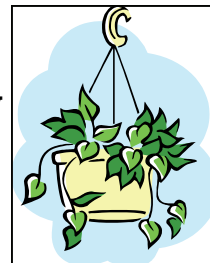

Approximate cost: \$25 (van, gas and u-haul)

September 23

This month is a little different. Come spend a morning at B&C Nursery and Farm Supply in Huntington and let Christina teach you how to properly pot your flowers. You will need to provide your own planters but you will be able to buy soil and flowers from them. We will meet at B&C Nursery at 10am and spend the day getting our hands dirty in soil and beautiful fall flowers!

Please call to make your reservation!
