### **Woodland Heights Medical Center Welcomes New Board Members**

**Lufkin, TX (June 20, 201)** – Woodland Heights Medical Center welcomes Lynne Haney and Daniel Huerta to its Board of Trustees.

Lynne Haney is the President of Lufkin Coca-Cola. A graduate of Lufkin High School and Texas A&M University with a degree in business, she serves on several local boards including Salvation Army and the Boys & Girls Club. Lynne is married to husband Terry and they have three children.

Daniel Huerta is the Director of Specialty Beverages for Brookshire Bros. Also a graduate of Lufkin High School, Huerta earned a BBA in Finance from Stephen F. Austin State University. Currently, he serves on the board of the Lufkin Convention and Visitors Bureau and Court Appointed Special Advocates. Huerta is married to Lora and they have one son.

As the facility welcomes two new members, two members will also be rotating off of the board. Sally Muhlbach and Roy Reyes have served on the Woodland Heights Board of Trustees since January 2006.

“We are excited about welcoming Lynne and Dan, whose experience will certainly bring new ideas and energy to our board,” states Casey Robertson, CEO of Woodland Heights. “At the same time, we will miss Sally and Roy and appreciate the years of time and talent they have given.”

Responsibilities of Board members include reviewing and consulting on long-range hospital plans, reviewing bylaws and acting as a liaison for Woodland Heights.

### **About Woodland Heights Medical Center**

Established in 1918, Woodland Heights Medical Center was Lufkin’s first hospital. Now, nine decades later, Woodland Heights is recognized throughout Deep East Texas as the leading provider of high quality, innovative health care services. Accommodating a wide range of clinical specialties, Woodland Heights has achieved excellence in key medical and surgical areas including cardiology, pulmonology, neurology, orthopedic surgery, physical medicine/rehabilitation, vascular surgery and obstetrics and gynecology. Woodland Heights also offers a full range of outpatient diagnostic services including advanced imaging, laboratory, outpatient surgery and emergency services. Through its Rehabilitation Center, Woodland Heights offers cardiac rehabilitation, stroke recovery and physical and occupational

rehabilitation. Combining modern facilities, leading technology, an exceptional staff and a commitment to the communities it serves, Woodland Heights Medical Center remains at the forefront of quality health care in Deep East Texas.
